## **JOHN DEAR, S.J.**

### ***A Persistent Peace: One Man's Struggle for a Nonviolent World***

Thursday, October 16, 2008, 9:30a.m. – noon  
Terry Center Library  
Water Tower Campus

*A Persistent Peace*, John Dear's autobiography, will touch anyone who believes in the power of peace. How does a "spoiled, wealthy frat boy" go from beer-chugging contests in a fraternity to peace activism and more than 75 arrests in the name of a nonviolent Jesus? Jesuit John Dear experienced a profound transformation during college. His aspirations for success as a pop star or lawyer gave way to the priesthood and a life dedicated to stopping war. Dear makes clear that the peace cause is an urgent one that concerns each person.

Brunch will be served beginning at 9:30a.m. Copies of *A Persistent Peace* will be available for purchase (\$22.95) and signing.
