

**INSTITUTE OF PASTORAL STUDIES
PERSONAL GROWTH AND SPIRITUAL DEVELOPMENT
Fall, 2008 SIGN-UP SHEET**

Academic courses expose students to information and analyses that have an impact on one's self-understanding and relationships, as well as on one's faith and spirituality. For this reason, all students are expected to involve themselves in non-academic venues and processes where issues emerging from academic study and other personal, social and spiritual concerns can be addressed. **Personal Growth/Spiritual Development is an essential dimension and an expectation within all degree programs.** The goal is to identify and provide opportunities for appropriate experiences that are integral to the professional and academic excellence of students who are preparing for or who are already engaged in ministry. In order to place you with a Spiritual Director if you have signed up for IPS 527 and/or a Pastoral Counselor if you have signed up for IPS 526, please fill in the information requested below and send or fax it back to the IPS Office **no later than August 5th**
